Oxfordshire Mind
Report of the Trustees
for the year ended 31st March 2017

The Trustees present their report and the audited accounts of the charity for the year ended 31st March 2017. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and accounts of the charity.

Oxfordshire Mind is a registered charity (no. 261476) and a company limited by guarantee (no. 4343625) with its own constitution – the 'Memorandum and Articles of Association'. We have a membership agreement with national Mind (registered charity no. 219830) enabling us, amongst other things, to use the Mind name and logo.

Trustees of the Charity

The directors of the charitable company are its trustees for the purposes of charity law. The trustees who have served during the year and since the year end are as noted on page 1.

Objectives and Activities

Oxfordshire Mind is part of the Mind network working together across England & Wales to make sure anyone with a mental health problem has somewhere to turn for advice and support.

Our Vision:

- We won't give up until everyone experiencing a mental health problem gets both support and respect

Our Mission:

- We promote good mental health through the provision of high quality services and campaigning for positive change

Our values:

- Striving to make mental health services more human
- Working alongside people to help them realise their potential
- Raising awareness, promoting understanding and challenging stigma
- The importance of community and the benefits of mutual support

How we work:

- Open - We reach out to anyone who needs us
- Together - We're stronger in partnership
- Responsive - We listen, we act
- Independent - We speak out fearlessly
- Unstoppable - We never give up

Oxfordshire Mind Services

During the year Oxfordshire Mind provided a wide range of services including:

Information Service

For any mental health query, large or small, we provide information and signposting to services. We publish a 'Mind Guide' to mental health services, information and advice across Oxfordshire.

Options Sessions

An opportunity to talk with a Wellbeing Service Worker about mental health and wellbeing, and help service users to find the right support.

Education and coping skills courses

Supporting people with their self esteem, stress, strong emotions and anxiety.

Peer Support

Share activities, issues and thoughts and to meet people who share similar issues.

Oxfordshire Mind Services (continued)

Benefits Advice

For anyone with a mental health problem and benefits trouble.

Talking Therapy

Psychological therapies for people struggling with anxiety and depression.

Housing

Transitional Housing Recovery Services for people with severe and enduring mental health problems. Provided as part of a pathway of housing services for the Oxfordshire Mental Health Partnership.

Volunteering Opportunities

Support and training for volunteers to extend the range of services we can provide and help people develop new skills and experience.

Public Benefit Statement

The Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties.

In developing our services, we look to

- Improve access: Reach all those in need of support, advice and information
- Deepen our impact: Provide services that lead to sustained positive improvements in mental wellbeing
- Focus on recovery: Enable people to take control and realise their potential

Our objectives are set out in 'Looking to the Future: Our Strategic Plan for 2013 – 2017' available on our website.

Achievements against our Objectives for 2016/17

Within the Wellbeing Service:

- There were over 5,022 calls and enquiries to the Information Service (previous year 2,700 calls)
- We helped over 1,400 people to cope and keep well through our options sessions, educational and coping skills courses, and peer support groups (previous year 1,200)
- We worked with Oxfordshire Sports Partnership to help over 669 people to take up sport and physical activities (previous year 360)

Within the Benefits Advice Service:

- Our Big Lottery funded project helped support 921 people through benefits advice casework (previous year 756)
- The casework resulted in successful claims for over £2 million in additional benefit entitlement (previous year £1.8 million)
- Work through the Advice Services Transition Fund extended our benefits work across the county

Within the Transitional Housing Recovery Service:

- We housed and supported 110 People (previous year 127 people)
- 34 people were helped to move on (previous year 48)
- 94% of move-on was to more independent or appropriate accommodation (same as previous year)
- We increased our housing stock from 78 to 80 units including more self-contained flats (previous year 73 – 78)
Occupancy levels were very high at 97% - a very positive achievement (same as previous year)

Oxfordshire Mind
Report of the Trustees (continued)
for the year ended 31st March 2017

Achievements against our Objectives for 2016/17 (continued)

Within the IAPT Talking Space psychological therapy service:

- We achieved 50.7% patient recovery rates
- We supported over 7,663 people this financial year into step 2 treatment
- We improved access by establishing a new single point of access for both counselling & Cognitive Based Therapy Treatments.

Contribution of Volunteers

Over 75 volunteers continued to offer valuable support and contribution to our work in 2016/17. Our volunteers were involved in a range of Mind activities and events which included helping out with our information line, administrative office support, group work with users of the service.

All Mind volunteers are fully trained and supervised to support them in their work with us. We welcome volunteers from all backgrounds and local communities to join us.

Financial Review

Income for the year was £3,474,161. Expenditure was £3,568,653. The largest single expenditure was staff costs (£2,525,262) which accounts for over two thirds of expenditure.

The principal funding sources during the year have been:

- Funding from Oxford Health NHS Foundation
- Rent (primarily rent related to Mind Housing Projects)
- Grants from Charitable Trusts, Big Lottery Fund, Comic Relief
- Legacy Income
- Donations and money raised through fundraising events

The funding environment we work in has changed significantly over the last year with our main funder (Oxfordshire NHS Clinical Commissioning Group) holding fewer contracts and more services being brought together under large prime contracts and by working with the partners of the 'Oxfordshire Mental Health Partnership' and the 'Talking Space Plus Partnership'

Reserves Policy

The Oxfordshire Mind Reserves Policy identifies the need to hold appropriate reserves to:

- fund working capital for contingencies; for example, to manage cashflow relating to the timing of grants payments, or for the payment of deposits on leases
- fund unexpected expenditure; for example, for funding unforeseen property repairs, or for maintaining a service using reserves as bridge-funding
- fund shortfalls in income; for example, to cover potential late payments by funders, or to cover lower than expected funding for short periods

The Reserves Policy details the specific need to hold reserves at a level which will allow for the:

- winding-up of the organisation, allowing up to an appropriate period of running down of services
- redundancy for staff throughout the organisation as a result of either loss of an income stream or complete winding-up
- repairs to property either owned by the organisation or where the organisation is liable for repair costs on leased buildings
- loss of income from a funding source. Reserves would need to be held in order to continue the service for up to two months whilst alternate funding is sought or whilst expenditure is reduced as a result

As at 31st March 2017, free reserves were £1.2m (2016: £2.2m). The current level of reserves held is viewed as sufficient to meet these requirements.

Future Plans

Our future plans will be informed by our Strategic Plan 2018 – 2022, which will look at the challenges and opportunities facing the organisation and map out our priorities for the future.

For the next year our objectives are as follows:

Objectives for 2017/18

Supporting local quality standards within the Wellbeing Service

- Provide access to information and advice to over 8,000 people
- Provide access to educational groups, peer support and individual help to over 1,200 people through Option Sessions
- Provide excellent wellbeing services to anyone needing help in Oxfordshire through a range of support provision, including the Talking Space Plus Partnership and Oxfordshire Mental Health Partnership.
- Use 'Warwick Edinburgh Mental Wellbeing Scale' to better assess our impact
- Provide Benefits Advice and assistance to over 800 people

Within the IAPT Talking Space psychological therapy service

- Sustain high levels of referrals and recovery rates
- Provide access for over 9,000 people entering treatment
- Ensure the service is responsive with low waiting times
- Improve access by establishing a new single point of access for both counselling & CBT based treatments

Within the Transitional Housing Recovery Services

- Sustain high levels of successful move-on with 90% of people moving on to stable accommodation within two years
- Sustain low voids at a budgeted level of 10% or below
- Increase the service to over 80 units through investing in additional units of accommodation
- Review the service as part of a wider assessment of Oxfordshire Mental Health services
- Develop integrated access to services with the Oxfordshire Mental Health Partnership
- Focus on quality of customer service and supporting carers

Contract, Monitoring & Review

Our four main contracts which represent the majority of our income activity were successfully recommissioned for a further five years with Oxfordshire Clinical Commissioning Group. Since April 2016 the contracted services are now grouped and delivered across two key partnerships (Talking Space Plus and Oxford Mental Health Partnership).

We will be using 2017/18 to consolidate and develop our services by:

- Working with colleagues and partners in the Oxfordshire Mental Health Partnership to make changes through closer joint working and service integration
- Working with colleagues at Oxford Health Foundation Trust and Principal Medical Limited (PML) to pursue opportunities for closer integration between Wellbeing, Talking Space (IAPT) and counselling services
- Sustaining our emphasis on high quality services and delivering better outcomes for people using our services

Looking Further Ahead

The next version of our Strategic Plan (Looking to The Future) will be agreed by the Board of Trustees before the end of December 2017. The objectives in the current plan include:

Developing our capacity to inform and influence

We want to be seen as an 'information organisation' that is the first-place people turn to for information about all aspects of mental health.

Oxfordshire Mind

Report of the Trustees (continued) for the year ended 31st March 2017

Sustaining a high priority on the needs of people with more severe and enduring mental health problems

We know that some aspects of our work - like the peer support groups and our supported housing - have been particularly effective in this regard and we will seek to build on this in the future.

Developing our approach to partnership working

Working in partnership and making partnerships work is part of an outward looking approach that we will take in order to reduce wasteful competition, keep costs down and improve our offer to both commissioners and service users.

Developing our business capability

We will invest in management and business systems that enable us to meet our responsibilities and survive as a robust, professional, modern and outward looking organisation.

Developing our marketing and communications

We will prioritise and develop our marketing strategies to make sure that people know about what we do, how to get help, and how people can help us.

Making the most of our membership of the Mind network

Our membership of Mind is a major strength enabling us to be part of a strong federal network underpinned by national campaigning and service development.

Looking outside Oxfordshire

We will consider working outside the county where there are strong reasons and we can demonstrate the benefits to the whole organisation.

Balancing continuity and new developments in future service provision

Competitive tendering and short-term funding mean that we can never be certain whether we will continue to be funded to deliver the kinds of services we have developed. However, we will strive to seek some continuity. The strategic review reinforced the importance for some people of *'a place to feel safe and welcome'* and we will do our best to maintain this element of our services.

Structure, Governance and Management

The Trustees of Oxfordshire Mind are responsible for overseeing the management and administration of the charity and have ultimate responsibility for the charity's activities. The Trustees are also the Directors of the company. Trustees are elected by the membership at the Annual General Meeting or join as co-opted members at the invitation of the Board of Trustees. Induction and training is available for all Trustees.

The role of the Board of Trustees is

- To ensure that Oxfordshire Mind acts in accordance with its Memorandum and Articles, charity law, company law, and other relevant legislation or regulations
- To ensure that Oxfordshire Mind applies its resources exclusively in pursuance of its objects (*"to promote the preservation of mental health and to assist in relieving and rehabilitating persons suffering from mental disorder or conditions of emotional or mental distress requiring advice or treatment, in association with Mind in accordance with the aims and objectives of Mind"*)
- To provide clear strategic direction to the organisation, setting overall policy, setting targets and evaluating performance
- To safeguard the good name and values of the charity
- To protect and manage the property of the charity and to ensure the proper investment of Oxfordshire Mind's funds
- To oversee the financial affairs of the Charity

Oxfordshire Mind

Report of the Trustees (continued)
for the year ended 31st March 2017

During the year 2016/17 the full Board of Trustees met regularly and all meetings were quorate.

Separate Trustee Sub Committees covering Finance, HR and Contracts also met on a regular basis during the year and reported to the full Board.

The day-to-day management of the organisation is delegated to the organisation's paid staff, and in particular to the Senior Management Team. During the year the Senior Management Team consisted of:

- Chief Executive
- Head of Community Services
- Head of IAPTS
- Head of Housing
- Head of Finance & Resources

Risk Management

The Trustees have considered risks and risk management throughout the year as part of the business of the regular Trustees' meetings. A formal strategic risk assessment and risk management register is reviewed and kept updated.

The principal risks and uncertainties for the charity as at 31st March 2017 are the potential impact of public spending cuts and the changing environment of NHS and local government commissioning. Our risk plan will also manage the implementation of new service contracts.

Key Management Personnel Remuneration

The Trustees consider the Board of Trustees and the Senior Management Team as comprising the key management personnel of the charity in charge of directing and controlling the charity and running and operating the charity on a day to day basis. All Trustees give of their time freely and no Trustee remuneration was paid in the year. Details of Trustee expenses and related party transactions are disclosed in note 9 to the accounts.

Trustees are required to disclose all relevant interests and in accordance with the Trust's policy withdraw from decisions where a conflict of interest arises.

The pay of the Senior Management Team is reviewed annually and is normally increased in accordance with average earnings. The remuneration is reviewed to ensure that it is fair and not out of line with similar roles.

Statement of Trustees' responsibilities

The Trustees (who are also directors of Oxfordshire Mind for the purposes of company law) are responsible for preparing the Trustees' Report (including the Strategic Report) and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

Oxfordshire Mind
Report of the Trustees (continued)

Statement of Trustees' responsibilities (continued)

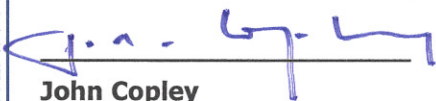

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

This report has been prepared having taken advantage of the small companies exemption in the Companies Act 2006.

Independent Auditor's Report to the members of Oxfordshire Mind

We have audited the financial statements of Oxfordshire Mind for the year ended 31st March 2017 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement, and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditor

As explained more fully in the Trustees' Responsibilities Statement on pages 7 and 8, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st March 2017, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion based on the work undertaken in the course of the audit:

- the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees Annual Report has been prepared in accordance with applicable legal requirements.

**Independent Auditor's Report to the members of Oxfordshire Mind
(continued)**

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees Annual Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption in preparing the directors' report and take advantage of the small companies exemption from the requirement to prepare a strategic report.

Oxfordshire Mind
Notes to the Accounts
for the year ended 31st March 2017

1 Accounting policies

General information and basis of preparation

Oxfordshire Mind is a charitable company in the United Kingdom. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 1 of these accounts. The nature of the charity's operations and principal activities are included in the Trustees Report.

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice as it applies from 1 January 2015. The charity constitutes a public benefit entity as defined by FRS 102.

The accounts are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The accounts are prepared in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these accounts are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes. The Trustees may choose to designate funds for particular purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the note to the accounts.

Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation of tangible fixed assets is provided on a straight line basis, calculated at annual rates estimated to write off each asset over the term of its useful life. The rates in use are as follows:-

Fixtures and fittings	15% per annum
Motor vehicles	20% per annum
IT equipment	20% per annum

The charity's property is depreciated so as to write off the cost of refurbishment and to allow for any reduction in residual value, over a period of 40 years.

A limit of £1,000 has been set so that items of a fixed nature will be capitalised if above this amount.

**Notes to the Accounts (continued)
for the year ended 31st March 2017**

1 Accounting policies (continued)

Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in income or expenditure unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the Statement of Financial Activities (SoFA) if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Income recognition

All incoming resources are included in the SoFA when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. No amount is included in the accounts for volunteer time in line with the SORP (FRS 102).

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. At this point income is recognised. On occasion legacies will be notified to the charity where it is not possible to measure the amount expected to be distributed. On these occasions, the legacy is treated as a contingent asset and disclosed.

The charity receives government grants in respect of the housing and care services it provides. Income from government and other grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

Investment income is earned through holding assets for investment purposes and includes bank interest. It is included when the amount can be measured reliably.

1 Accounting policies (continued)

Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Costs of raising funds includes the costs associated with raising funds from all possible sources of incoming resources;
- Expenditure on charitable activities includes expenditure incurred in the furtherance of the charity's objects; and
- Other expenditure represents those items not falling into the categories above.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Support costs allocation

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs and administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

The analysis of these costs is included in note 6.

Leases

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.

Employee benefits

When employees have rendered service to the charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

The charity operates a defined contribution plan for the benefit of its employees. Contributions are expensed as they become payable.

Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Going concern

The accounts have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these accounts. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

Access Fund

Funds allocated for projects that are not within the wellbeing contract and meet the objectives of Oxfordshire Mind.

Back on Track (OCGG)

To work on the Leys estates to provide mentors and support to vulnerable teenagers who would not otherwise access the service.

Barton Project

Oxfordshire Mind delivered two planning workshops in March with key Barton stakeholders to support health and wellbeing initiatives on the current estate, with a number of recommendations in place to support the future Healthy New Town. The work was underpinned by a research paper by Oxfordshire Mind staff assessing the existing research on Healthy New Towns.

Building Fund for Refurbishment

Funds allocated towards the building costs of Oxfordshire Mind projects.

Freehold Property Fund

This fund represents property held by the charity. These assets are required for the charitable activities of the charity, and thus do not form part of available general funds.

Oxford City Council

As part of a renewed tenancy agreement, Oxfordshire Mind has agreed to bear some property improvement costs (see note 19). The amount of expenditure required is included in this fund.

South & Vale Activity Account

To provide workers in the South & Vale area to access local GP surgeries providing information on Oxfordshire Mind services.

Wood Farm Project

Funded by Public Health Oxfordshire this outreach project has enabled Oxfordshire Mind to engage with Asian Women on this estate through an activity-based programme. The project has facilitated improved wellbeing, self-esteem and physical health amongst the peer group participants.

Football Fitness Wellbeing (Comic Relief)

Therapeutic football sport based interventions for young men at risk.

Help Through Crisis

This 5-year partnership project funded by the Big Lottery with Oxford CAB and local advice agencies offers support to people at risk on account of their housing, benefits or debt. Oxfordshire Mind deploys a part-time Resilience Worker who provides 'wrap around' support strengthening participants' coping skills. Our target is to support 50 beneficiaries a year.

Oxfordshire Sports Partnership

To improve the participation rates of people with mental health problems, access new sporting activities in Oxfordshire.

Reaching Communities (Big Lottery)

Deliver specialist outreach based benefits advice and caseworks across Oxfordshire enabling people with mental health problems to navigate major changes in the benefits system to access their right entitlement.

Stone Family Foundation

To provide a dedicated service, supporting people with severe and enduring mental health at the Mill Oxford.

Time to Change (National Mind)

Tackling mental health stigma and discrimination.

As agreed with donors at the bid process, management charges are applied to several restricted funds. £11,050 (2016: £22,413) was transferred to the general fund to represent this, and is included in transfers above.
