Oxfordshire Mind

Report of the Trustees for the year ended 31st March 2020

The Trustees present their report and the audited accounts of the charity for the year ended 31st March 2020. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and accounts of the charity.

Oxfordshire Mind is a registered charity (no. 261476) and a company limited by guarantee (no. 4343625) with its own constitution – the 'Memorandum and Articles of Association'. We have a membership agreement with national Mind (registered charity no. 219830) enabling us, amongst other things, to use the Mind name and logo.

Trustees of the Charity

The directors of the charitable company are its trustees for the purposes of charity law. The trustees who have served during the year and since the year end are as noted on page 1.

Objectives and Activities

Oxfordshire Mind is part of the Mind network working together across England & Wales to make sure anyone with a mental health problem has somewhere to turn for advice and support.

Our Vision:

- We won't give up until everyone experiencing a mental health problem gets both support and respect

Our Mission:

- We promote good mental health through the provision of high-quality services and campaigning for positive change

Our values:

- Striving to make mental health services more human
- Working alongside people to help them realise their potential
- Raising awareness, promoting understanding and challenging stigma
- The importance of community and the benefits of mutual support

How we work:

- Open - We reach out to anyone who needs us
- Together - We're stronger in partnership
- Responsive - We listen, we act
- Independent - We speak out fearlessly
- Unstoppable - We never give up

Oxfordshire Mind Services

During the year Oxfordshire Mind provided a wide range of services including:

Information Service

For any mental health query, large or small, we provide information and signposting to services. We publish a 'Mind Guide' to mental health services, information and advice across Oxfordshire.

Options Sessions

An opportunity to talk with a Wellbeing Service Worker about mental health and wellbeing and help service users to find the right support.

Education and coping skills courses

Supporting people with their self esteem, stress, strong emotions and anxiety.

Peer Support

Share activities, issues and thoughts and to meet people who share similar issues.

Oxfordshire Mind

Report of the Trustees (continued) for the year ended 31st March 2020

Oxfordshire Mind Services (continued)

Benefits Advice

For anyone with a mental health problem and benefits trouble.

Safe Havens in Banbury and Oxford

A safe haven for people in crisis because of their mental health.

Talking Therapy

Psychological therapies for people struggling with anxiety and depression.

Housing

Transitional Housing Recovery Services for people with serious mental illness. Provided as part of a pathway of housing services for the Oxfordshire Mental Health Partnership.

Volunteering Opportunities

Support and training for volunteers to extend the range of services we can provide and help people develop new skills and experience.

Fundraising standards information

Members of the Charity's fundraising department organise events and carry out fundraising activities in order to generate funds for the charity. The Charity does not use professional fundraisers or involve commercial participators. There have been no complaints about fundraising activity this year.

The charity has signed up to the Fundraising Regulator's Code of Fundraising Practice.

All the charity's marketing activities are undertaken directly to ensure that it is not unreasonably persistent or intrusive. Marketing materials contain clear details of how to unsubscribe to future communications and care is taken to limit the level of communications being sent out.

Public Benefit Statement

The Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties.

In developing our services, we look to

- Improve access: Reach all those in need of support, advice and information
- Deepen our impact: Provide services that lead to sustained positive improvements in mental wellbeing
- Focus on recovery: Enable people to take control and realise their potential

Our objectives are set out in 'Shaping our future at 50 Plan for 2018 – 2022' available on our website.

Strategic Report

Achievements against our Objectives for 2019/20

Within the Wellbeing Service:

- 14,017 people accessed Mental Health Information through the Information service.
- We helped over 4,142 people to cope and keep well through our options sessions, educational and coping skills courses, and peer support groups (previous year 2,338)

Within the Benefits Advice Service:

- Our Big Lottery funded project helped support 789 people through benefits advice casework (previous year 754)
- The casework resulted in successful claims for over £1.4 million in additional benefit entitlement (previous year £1.8 million)

Oxfordshire Mind

Report of the Trustees (continued) for the year ended 31st March 2020

Achievements against our Objectives for 2019/20 (continued)

Within the Transitional Housing Recovery Service:

- We housed and supported 109 people (previous year 124)
- 23 people were helped to move on (previous year 34)
- 87% of move-on was to more independent or appropriate accommodation (previous year 91%)
- We increased our housing stock from 85 to 94 units. Occupancy levels were at 96% (previous year 93%)

Within the IAPT Talking Space psychological therapy service:

- We achieved 58% patient recovery rates
- We supported over 11,773 people this financial year into step 2 treatment (previous year 9,473)

Contribution of Volunteers

Over 100 volunteers continued to offer valuable support and contribution to our work in 2019/20. Our volunteers were involved in a range of Mind activities and events which included helping out with our information line, administrative office support, and group work with users of the service.

All Mind volunteers are fully trained and supervised to support them in their work with us. We welcome volunteers from all backgrounds and local communities to join us.

Financial Review

Income for the year was £5,271,301. Expenditure was £4,876,199. The largest single expenditure was staff costs (£3,647,005) which accounts for over two thirds of expenditure.

The principal funding sources during the year have been:

- Funding from Oxford Health NHS Foundation Trust
- Rent (primarily rent related to Mind Housing Projects)
- Grants from Charitable Trusts and the Big Lottery Fund
- Legacy Income
- Donations and money raised through fundraising events

Reserves Policy

The Oxfordshire Mind Reserves Policy identifies the need to hold appropriate reserves to:

- fund working capital for contingencies; for example, to manage cashflow relating to the timing of grants payments, or for the payment of deposits on leases
- fund unexpected expenditure; for example, for funding unforeseen property repairs, or for maintaining a service using reserves as bridge-funding
- fund shortfalls in income; for example, to cover potential late payments by funders, or to cover lower than expected funding for short periods

The Reserves Policy details the specific need to hold reserves at a level which will allow for the:

- winding-up of the organisation, allowing for an appropriate period of running down of services
- redundancy for staff throughout the organisation because of either loss of an income stream or complete winding-up
- repairs to property either owned by the organisation or where the organisation is liable for repair costs on leased buildings
- loss of income from a funding source. Reserves would need to be held in order to continue the service for up to two months whilst alternate funding is sought or whilst expenditure is reduced as a result

As of 31st March 2020, free reserves were £1.9m (2019: £1.6m). The current level of reserves held is viewed as sufficient to meet the requirements of the reserves policy.

Oxfordshire Mind

Report of the Trustees (continued) for the year ended 31st March 2020

Future Plans

Our future plans are informed by our Strategic Plan 2018 – 2022, which looks at the challenges and opportunities facing the organisation and maps out our priorities for the future.

For the next year, our objectives are as follows:

Objectives for 2020/21

Supporting local quality standards within the Wellbeing Service

- To develop the Wellbeing project providing our services in Adult Mental Health Teams
- Further develop our impact with Children and Young People.
- Embed the Banbury Safe Haven and consider additional locations in the county as opportunities arise.
- Deliver the Mental Health component of the Family Safeguarding Partnership.

Within the IAPT Talking Space psychological therapy service

- Sustain high levels of referrals and recovery rates
- Provide access for over 11,000 people entering treatment
- Ensure the service is responsive with low waiting times
- Look at increasing referrals through events, marketing and the website

Within the Transitional Housing Recovery Services

- Sustain high levels of successful move-on with 90% of people moving on to stable accommodation within two years
- Sustain low voids at a budgeted level of 5% or below
- Maintain the current 94 units
- Be an active partner in the Oxfordshire County Council pathway review project.
- Focus on quality of customer service and supporting carers

Communications and Campaigning

- Complete the redesign of our website, including a new Mind Guide website
- Increase our reach through social and other media
- Deliver an impactful World Mental Health Day event in October 2020
- Work on the Experts by Experience role to highlight service user experiences to the media

Development and Fundraising

- Continue to grow income and surplus in line with our budget, aiming for ever increased returns on investment
- Develop and deliver an improved training package to 3rd party organisations
- Deliver another impactful Comedy Gala in January 2021

Contract, Monitoring & Review

We will be seeking to firstly understand and then mitigate the impact of the Covid-19 pandemic on the mental health of Oxfordshire residents. This is likely to mean redesign of some of our services and may require judicious use of our financial reserves.

Oxfordshire Mind

Report of the Trustees (continued) for the year ended 31st March 2020

Covid-19

The Covid-19 pandemic has affected the charity significantly, in common with many other organisations around the world. At the time of writing this report the full implications are yet to be seen but we have already adapted to meet the changing world. The key areas are:

- **The need for good mental health support has increased and is likely to continue to increase.** At this point a number of groups have been identified as needing additional support – children and young people; people from BAME backgrounds; frontline workers; and those economically disadvantaged by the pandemic. We will work with our partners to help address these needs
- **Fundraising has become harder.** A number of our key annual events have been cancelled (the Oxford Half-marathon, Bike Oxford, and more) and our community fundraising income will be below our initial target for the year. Training income is also likely to be below our target. This will not affect our ability to operate and our finances continue to be robust but it may reduce our ability to invest in new services this year.
- **We have fundamentally altered our working practices.** The staff, volunteers and service users of Oxfordshire Mind have adapted quickly and well to new working practices. We have not furloughed any staff, all our services have remained open (but with significant changes), and we have been operating in a virtual manner. Staff have been working from home and face to face contact with service users has been minimal over the lockdown period. In August we have started to open up again, with rigorous risk assessments in place covering every worker and service.

Looking Further Ahead

Developing our capacity to inform and influence

We want to be seen as an 'information organisation' that is the first-place people turn to for information about all aspects of mental health and continue to be the voice of the service user in Oxfordshire.

Sustaining a high priority on the needs of people with more severe and enduring mental health problems

We know that some aspects of our work - like the peer support groups and our supported housing - have been particularly effective in this regard and we will seek to build on this in the future.

Developing our approach to partnership working

Working in partnership and collaboration with existing and potential new partners. Working in partnership work is part of an outward looking approach, to keep costs down and improve our offer to both commissioners and service users.

Developing our marketing and communications

We will prioritise and develop our marketing strategies to make sure that people know about what we do, how to get help, and how people can help us. To campaign for all the service users in Oxfordshire.

Making the most of our membership of the Mind network

Our membership of Mind is a major strength enabling us to be part of a strong federal network underpinned by national campaigning and service development. Our membership enables us to attract income from Mind, and also share best practice with colleagues around the country.

Looking outside Oxfordshire

We will consider working outside the county where there are strong reasons and we can demonstrate the benefits to the whole organisation.

Balancing continuity and new developments in future service provision

Competitive tendering and short-term funding mean that we can never be certain whether we will continue to be funded to deliver the kinds of services we have developed. However, we will strive to seek some continuity.

Oxfordshire Mind

Report of the Trustees (continued) for the year ended 31st March 2020

Children & Young People

We will look to develop partnerships with other providers, campaigning on their behalf, develop funding streams to enable us to deliver impactful services.

Structure, Governance and Management

The Trustees of Oxfordshire Mind are responsible for overseeing the management and administration of the charity and have ultimate responsibility for the charity's activities. The Trustees are also the Directors of the company. Trustees are elected by the membership at the Annual General Meeting or join as co-opted members at the invitation of the Board of Trustees. Induction and training is available for all Trustees.

The role of the Board of Trustees is

- To ensure that Oxfordshire Mind acts in accordance with its Memorandum and Articles, charity law, company law, and other relevant legislation or regulations
- To ensure that Oxfordshire Mind applies its resources exclusively in pursuance of its objects (*"to promote the preservation of mental health and to assist in relieving and rehabilitating persons suffering from mental disorder or conditions of emotional or mental distress requiring advice or treatment, in association with Mind in accordance with the aims and objectives of Mind"*)
- To provide clear strategic direction to the organisation, setting overall policy, setting targets and evaluating performance
- To safeguard the good name and values of the charity
- To protect and manage the property of the charity and to ensure the proper investment of Oxfordshire Mind's funds
- To oversee the financial affairs of the Charity

During the year 2019/20 the full Board of Trustees met regularly, and all meetings were quorate.

Separate Trustee Sub Committees covering Finance, HR and Contracts also met on a regular basis during the year and reported to the full Board.

The day-to-day management of the organisation is delegated to the organisation's paid staff, and in particular to the Senior Management Team. During the year, the Senior Management Team consisted of:

- Chief Executive
- Head of Wellbeing Services
- Head of IAPT Services
- Head of Housing
- Head of Finance & Resources

Environmental Good Practice

Oxfordshire Mind has a policy on environmental good practice. The charity aims to minimise our impact through practical measures such as: interest free public transport season ticket loans, a cycle-to-work scheme, energy efficiency, reducing paper usage, recycling, and other measures. The policy covers our work with service users, our staff, contractors and where appropriate partners and other stakeholders.

Risk Management

The Trustees have considered risks and risk management throughout the year as part of the business of the regular Trustees' meetings. A formal strategic risk assessment and risk management register is reviewed and kept updated.

The principal risks and uncertainties for the charity as at 31st March 2020 are the potential impact of public spending cuts, the changing environment of NHS and local government commissioning, and ensuring the safeguarding of our service users, some of whom are vulnerable members of society.

Oxfordshire Mind

Report of the Trustees (continued) for the year ended 31st March 2020

Key Management Personnel Remuneration

The Trustees consider the Board of Trustees and the Senior Management Team as comprising the key management personnel of the charity in charge of directing and controlling the charity and running and operating the charity on a day to day basis. All Trustees give of their time freely and no Trustee remuneration was paid in the year. Details of Trustee expenses and related party transactions are disclosed in note 9 to the accounts.

Trustees are required to disclose all relevant interests and in accordance with the Trust's policy withdraw from decisions where a conflict of interest arises.

The pay of the Senior Management Team is reviewed annually and is normally increased in accordance with average earnings. The remuneration is reviewed to ensure that it is fair and not out of line with similar roles.

Statement of Trustees' responsibilities

The Trustees (who are also directors of Oxfordshire Mind for the purposes of company law) are responsible for preparing the Trustees' Report (including the Strategic Report) and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

In approving the Trustees' Annual Report, we also approve the Strategic Report included therein, in our capacity as company directors.

This report was approved at a meeting of the Trustees and signed by

Nick Welch

Mike Farwell

28th September 2020

Independent Auditor's Report to the members of Oxfordshire Mind

Opinion

We have audited the financial statements of Oxfordshire Mind (the 'charitable company') for the year ended 31st March 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st March 2020, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the strategic report and the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

Independent Auditor's Report to the members of Oxfordshire Mind (continued)

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report and the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 8, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Oxfordshire Mind
Notes to the Accounts
for the year ended 31st March 2020

1 Accounting policies

General information and basis of preparation

Oxfordshire Mind is a charitable company in the United Kingdom. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 1 of these accounts. The nature of the charity's operations and principal activities are included in the Trustees' Report.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The accounts are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The accounts are prepared in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these accounts are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes. The Trustees may choose to designate funds for particular purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the note to the accounts.

Tangible fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation of tangible fixed assets is provided on a straight line basis, calculated at annual rates estimated to write off each asset over the term of its useful life. The rates in use are as follows:-

Fixtures and fittings	15% per annum
Motor vehicles	20% per annum
IT equipment	25% per annum

Depreciation is no longer charged on the charity's property as the properties are not seen as diminishing in value, and therefore any depreciation charge would be immaterial. Properties are reviewed annually for impairment.

A limit of £1,000 has been set so that items of a fixed nature will be capitalised if above this amount.

Oxfordshire Mind

Notes to the Accounts (continued) for the year ended 31st March 2020

1 Accounting policies (continued)

Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in income or expenditure unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains / (losses) on investments' in the Statement of Financial Activities (SoFA) if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

Current asset investments are short term highly liquid investments and are held at fair value. These include cash on deposit and cash equivalents with a maturity of less than one year.

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Income recognition

All incoming resources are included in the SoFA when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained, then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. No amount is included in the accounts for volunteer time in line with the SORP (FRS 102).

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. At this point income is recognised. On occasion legacies will be notified to the charity where it is not possible to measure the amount expected to be distributed. On these occasions, the legacy is treated as a contingent asset and disclosed.

The charity receives government grants in respect of the housing and care services it provides. Income from government and other grants are recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

Investment income is earned through holding assets for investment purposes and includes bank interest. It is included when the amount can be measured reliably.

Oxfordshire Mind

Notes to the Accounts (continued) for the year ended 31st March 2020

1 Accounting policies (continued)

Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Costs of raising funds includes the costs associated with raising funds from all possible sources of incoming resources;
- Expenditure on charitable activities includes expenditure incurred in the furtherance of the charity's objects; and
- Other expenditure represents those items not falling into the categories above.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Support costs allocation

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs and administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

The analysis of these costs is included in note 6.

Leases

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.

Employee benefits

When employees have rendered service to the charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

The charity operates a defined contribution plan for the benefit of its employees. Contributions are expensed as they become payable.

Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Going concern

The accounts have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these accounts. They have included a review of the impact of COVID-19 as part of this assessment. The forecast income and expenditure is deemed sufficient, along with the level of reserves held, for the charity to be able to continue as a going concern.

Oxfordshire Mind

Access Fund

Funds allocated for projects that are not within the wellbeing contract and meet the objectives of Oxfordshire Mind.

Banbury Asian Group

Funded by Public Health Oxfordshire this outreach project has enabled Oxfordshire Mind to engage with Asian Women in Banbury through an activity-based programme. This project has facilitated improved wellbeing, self-esteem and physical health amongst the peer support group participants.

Freehold Property Fund

This fund represents property held by the charity. These assets are required for the charitable activities of the charity, and thus do not form part of available general funds.

Oxford City Council

As part of a renewed tenancy agreement, Oxfordshire Mind has agreed to bear some property improvement costs. The amount of expenditure required is included in this fund.

Oxfordshire Mind

Notes to the Accounts (continued) for the year ended 31st March 2020

14 Designated funds (continued)

South & Vale Activity Account

To provide workers in the South & Vale area to access local GP surgeries providing information on Oxfordshire Mind services.

Wood Farm Project

Funded by Public Health Oxfordshire this outreach project has enabled Oxfordshire Mind to engage with Asian Women on this estate through an activity-based programme. The project has facilitated improved wellbeing, self-esteem and physical health amongst the peer group participants.

AMHT

The project also incorporates use of BBMH worker time within an AMHT setting to improve access to welfare benefits for service users within secondary care.

Banbury Safe Haven

Banbury Safe Haven is funded by Oxfordshire CCG through OMHP and offers short term additional support out of hours for people who are over 18 and experiencing a mental health crisis.

Covenant

Outreach support to spouses of serving Armed Forces personnel delivered on bases including a four week course programme, funded by the Covenant Fund through National Mind.

CYP

Delivery of 6 x the 'Boxing and Wellbeing' offer, including a 4 week course, to public health identified schools, in North and South Oxfordshire.

Data Impact Officer

The Stone Family Foundation has provided Oxfordshire Mind with a restricted grant over a three year period to cover the costs of an Impact Measurement Officer. Project milestones include improving use of data for service planning and impact measurement.

Help Through Crisis

As part of the Stronger Together partnership funded by the Big Lottery Help Through Crisis project Oxfordshire Mind employs a Resilience Coach who provides tailored support, advice and advocacy to enable people to address difficulties and be in a better position to improve circumstances and plan for their future.

MHWA

Mental Wealth Academy is an innovative new project supporting 18-25 year olds affected by life-changing events, who are falling through gaps created by transition pathways from CAMHS to Adult Mental Health services.

Oxfordshire Mind

Notes to the Accounts (continued) for the year ended 31st March 2020

15 Restricted funds (continued)

Mind Volunteers

To recruit and train volunteers to support service users to maintain their Universal Credit claim. Work to take place at Oxfordshire Mind hubs across the county and include provision of IT hardware to enable service users to manage their benefit claim on site.

Mind Ward Project

To support service users on inpatient Mental health Wards in Oxford City. Service users are supported to establish Benefit Claims which can remove obstacles ahead of discharge to outpatient services, and move into supported or independent accommodation.

Mind Universal Credit

To support service users to assess eligibility and claim Universal Credit, in response to wider rollout of Universal Credit by DWP/eventual transition from ESA to UC.

Oxford Safe Haven

Oxford Safe Haven is funded by Oxfordshire CCG through OMHP and offers short-term additional support out of hours for people in Oxfordshire, who are over 18 and experiencing a mental health crisis. It offers an alternative to A&E for people who don't have urgent medical needs, and who can keep themselves safe whilst at Oxford Safe Haven. It provides a welcoming space, crisis planning support, space to be with others, a quiet room and friendly staff who are always on hand.

Oxfordshire Sports Partnership

To improve the participation rates of people with mental health problems, access new sporting activities in Oxfordshire.

Primary Care

To provide one-to-one sessions for patients in GP practices who may be experiencing mental health issues that are impacting on their wellbeing in a non clinical way.

RAF Benson

An out-reach support to spouses of serving armed forces personnel delivered at RAF Benson

Reaching Communities (Big Lottery)

Deliver specialist outreach based benefits advice and caseworks across Oxfordshire enabling people with mental health problems to navigate major changes in the benefits system to access their right entitlement.

Stone Family Foundation

To provide a dedicated service, supporting people with severe and enduring mental health at the Mill Oxford.

Walking to Wellbeing

To provide wellbeing accessible walking groups from mental health services with the aim of getting people with severe and enduring mental health conditions active.

As agreed with donors at the bid process, management charges are applied to several restricted funds. £105,029 (2019: £48,017) was transferred to the general fund to represent this, which is included in transfers above.

During 2019/20, general funds of £46,034 were used in support of restricted fund projects where costs exceeded income.
